Dear Phil:

Just a note to say most sincerely a big thank you once again for the excellent service you gave us during our move last week. Our 4th with you now since 2001.

As always you made what can be a very stressful time almost pleasant! The team were courteous, hard working and moved our possessions with care.

We will be moving again in around 6 months time out of rented accommodation and will give Helen a call to arrange a date for the next move.

Until then, all the best,

Dear Mr Cutting,

Re: My removal from Green Meadow House, Pangbourne on Thames to Grange Farmhouse, East Hagbourne

I thought I would drop you a line to thank you for the efficient and courteous manner in which you performed my removal. This is always a difficult time for any house owner with lots of stress, which you and your good-humoured staff helped mitigate.

You undertook the packing, as well as the removal, from Green Meadow House, which is nearly 4,000 sq ft, and I have a collection of antique furniture and objets d'art. Nothing was damaged, even though you had to containerise the whole of my goods and put them into store as I had a gap of a week before moving into my new property. You also recently returned to my property and took away all the boxes and paper.

All in all, a job well done. Thank you very much.

Please feel free to show this letter as a testimonial, if you so desire.

Kind regards,
Yours sincerely,

Dudley R. Singleton, FNAEA

Dear Mr Cutting

I would like to take this opportunity to thank you for the excellent service offered by yourself and your removal team. The professional and efficient manner with which you conducted our move far exceeded our expectations and took a lot of the stress out of the whole process. I am particularly grateful for your patience, understanding and the decisive action you took relating to the unprompted help you gave the previous occupants when the speed of their moving out became the limiting factor to us moving in. We would not hesitate to recommend your services to anyone wishing to move house.

Thanks again.

Regards,
